Ms Forster, as a non-signatory, will sign to show that this figure agrees with the accounts.

iv. Asset Register

There has been 1 change to the asset register since the last meeting. The addition of the new Dell Inspiron 15 300 laptop.

186.6 Village Hall

Mr Mike Sutton updated the PC about the Extension Project

Briefly, it is 3 years since the design and fundraising commenced; a planning application has been re-submitted. To obtain funding from the National Lottery the outdated Village Hall Trust Deed will have to be changed. A solicitor has been consulted who suggests changing to a CHARITABLE INCORPORATED ORGANISATION (CIO).

In order to comply with legal requirements the trustees must consult with the public and will send a flyer round the village inviting them to a meeting on Wednesday 27th April at 8pm in the Village Hall.

[See Appendix 1 for copy of explanatory flyer]

The chair thanked Mr Sutton for all his hard work. Following a discussion, it was unanimously decided to approve the motion to transfer all the property and assets belonging to the trustee of Allerthorpe Village Hall to a Charitable Incorporated Organisation.

[See Appendix 2 for notice of resolution]

186.8 Soay Solar Energy planning application

The clerk reported that an email had been received from Paul Bateman, an Independent Crime Wildlife Officer, who suggests that the Parish Council should request a further ecological badger survey. There are numerous badger setts within the boundary of the planned works. Badgers are protected mammals under the Protection of Badgers Act 1992. A member of the public reported that crested newts are known to be in Allerthorpe Woods. Mrs Metcalfe said that it is very unlikely that the planning application will be refused, but we may be able to mitigate the unwanted effects on nearby properties.

The Clerk will reply to Paul Bateman re a crested newt survey. The Chairperson will ask advice from a crested newt expert from Conifer Lake.

186.9 Vehicular Use of Waplington Lane

Councillors living on Waplington Lane have noticed an increase in the number of vehicles travelling down the Lane expecting to find an entrance to the Allerthorpe Golf and Country Park. This is thought to be due to an error in the address on the website.

The clerk will contact the Golf and Country Park asking that the address is changed on the website, and asking if they would be able to pay for a sign at the top of Waplington Lane stating no access to the Golf and Country park.

186.10 Community Speedwatch

Mrs Butler reported that the volunteers are to have some training in the Village Hall on 25th March, with a view to starting the speedwatch programme in the near future.

186.11 Trespass Group

There has been no further progress to report.

186.12 Queen's Platinum Jubilee

Mrs Batty suggested that we mark the occasion by having a competition for Allerthorpe children to design a commemorative mug or plate, which will then be commissioned for Fangfoss Pottery to make. Each child in the village will then receive one.

186.13 Dates of next meetings

The following dates were agreed:

Allerthorpe Village Hall Extension Project Update

It is now over 3 years since the design and fund raising for the project commenced.

Unfortunately, due to COVID 19 there have been delays, but the project is still moving forward, and we should be able to commence once we have secured The National Lottery Community Funding (TNL).

A planning application has been re-submitted and competitive building quotes have been received. A builder will be appointed once planning and TNL funding is confirmed.

As a part of this process, The Village Hall Management Committee (VHMC) has been advised that the legal structure of the village hall charity needs to change in order to obtain successful funding from TNL. As a result of this, the VHMC has taken advice from Harrowells solicitors on potential alternative legal structures. The VHMC now recommends converting the current unincorporated charity to a Charitable Incorporated Organisation (CIO).

At a Parish Council meeting on 21st March 2022, this was unanimously agreed and the resolution was passed. It was also agreed that the trustees of the CIO will report to the Parish Council as a matter of good practice, although there is no legal requirement to do so.

The objectives of converting the existing charity to a CIO are to:

- Replace an outdated and inflexible trust deed;
- Provide flexibility in the appointment/removal of trustees;
- Operate as a legal entity which can enter into arrangements in its own right and achieve some protection against personal liability for the individual trustees; and
- Enable AVH to apply for TNL Community Funding.

In order to comply with legal requirements regarding the transfer of the assets (including the land on which the Village Hall sits) from the existing charity to a new CIO, the trustees are required to consult with the public on such proposals. Therefore a meeting to discuss the proposed conversion to a CIO and invite your views on this will be held on

Wednesday 27th April at 8pm in Allerthorpe Village Hall.

The trustees would be delighted to share a discussion on this exciting progression with anyone that wants to attend, and all are welcome.

**NOTICE OF RESOLUTION OF ALLERTHORPE VILLAGE HALL
(the “Charity”)
CHARITY REGISTRATION NUMBER: 1046753**

At a general meeting of the trustee of the Charity held at Allerthorpe Village Hall on 21st March 2022 at 7.30pm, the following resolutions were duly passed as special resolutions:

“Resolution 1:

The trustee of Allerthorpe Village Hall (charity registration number 1046753) (the “**Charity**”), hereby resolves that all the property and assets belonging to the Charity and/or held on behalf of the Charity be transferred to a charitable incorporated organisation which is yet to be incorporated, but which the trustee proposes is incorporated as a new charitable incorporated organisation with the same charitable purposes as the Charity (the “**CIO**”).

Such transfer is to take place by way of a legally binding vesting declaration and/or Charity Commission Scheme (as appropriate) as soon as practicable following the incorporation of the CIO, subject to the prior approval of the Charity Commission to the transfer. The trustee notes that the land used by the Charity is designated land and is currently vested in the trustee (Allerthorpe Parish Council) as Custodian Trustee.

The trustee of the Charity is satisfied that the CIO will have the same charitable purposes as the Charity and therefore that the property and assets of the Charity shall be used for the same purposes as they are currently used for by the Charity. The trustee of the Charity believes that it is expedient of furthering the purposes for which the property and assets of the Charity are currently held, for such transfer to take place on the terms set out in this resolution.

Resolution 2

Further, subject to the passing of Resolution 1, the trustee of the Charity hereby resolves to dissolve the Charity following the completion of the transfer of property and assets from the Charity to the CIO. The trustee notes that following such transfer the Charity shall have no further assets or liabilities and can be wound up. The trustee also notes that because there is no express authority to dissolve the Charity in the Charity’s governing document, such dissolution requires the prior approval of the Charity Commission.”
