Humberhead Solar – Consultation events

We are hosting a public consultation for Humberhead Solar and this will run from **Monday 16 November until Sunday 20 December 2026** inclusive, during which we will hold in-person and online events to allow residents to view our proposals, ask questions and provide feedback. Details of the consultation will be shared locally via post with residents and businesses on **Monday 9 November 2026** via a four-page summary brochure. Details of how to engage in the consultation are also provided in the email below for your reference.

In-person events

We will be holding two in-person public consultation events on Wednesday 25 November and Thursday 26 November. We have included below details of venues and timings for the events.

These events will provide opportunities to find out more about the proposals, speak directly with members of the project team and provide feedback.

- Wednesday 25 November 2026, 3pm–7pm
  Holme on Spalding Moor Village Hall
- Thursday 26 November 2026, 11am–3pm
  Shiptonthorpe Village Hall

Residents can drop in at any time during the advertised hours.

Online webinars

Alongside our in-person events, and to ensure all residents have the opportunity to hear about the project, we will be hosting two online webinars. We have included the dates and times of these below.

- Saturday 5 December 2026, 2pm–3.30pm
  Online webinar
- Wednesday 9 December 2026, 5pm–6.30pm
  Online webinar

We recommend that residents join from the advertised start time in order to be able to follow the full presentation. Registration details for the online webinars will be made available on the project website (www.humberheadsolar.co.uk) from the 16 November 2026.

Those interested in the project can respond to the consultation in the following ways:

- Online: Complete the feedback form at: www.humberheadsolar.co.uk/consultation.
- By post: Write to us by using Freepost HUMBERHEAD SOLAR. No stamp or further address details are required. All you need to do is write the freepost name ‘Freepost HUMBERHEAD SOLAR’ on an envelope, which will mean that the post will reach us at no cost to you.
- By email: Send feedback to info@humberheadsolar.co.uk
- In person: Complete a paper feedback form at one of our consultation events, or contact the project team to request a copy.

All feedback must be submitted by **11:59pm on Sunday 20 December 2026**. Subject to agreement, the project team can also transcribe feedback provided by telephone (02035763469).

Further information about the project and consultation will be available on our website at www.humberheadsolar.co.uk.

Feedback received through the consultation will be carefully considered as the design evolves and the Development Consent Order application is prepared. We remain committed to engaging openly with local communities and stakeholders throughout the process.
